

Do you have old, unused, or unwanted electronics taking up space in your home? Bring them here!

FREE ELECTRONICS RECYCLING DROP OFF

North Providence Farmers' Market

Governor Notte Park Way off Rte. 7

1675 Douglas Avenue

Fridays, Aug. 10 & Sept. 14, 2012

3:30 – 6:00 PM

We collect residential computers, laptops, PDA's, cell phones, mice, keyboards, printers, and other peripherals, networking equipment, cabling, flat screens, CRT monitors, stereo equipment, telephones, cordless phones, wide screen / tube televisions, microwaves, and other electronic gadgetry regardless of age or condition. **We also collect** lead batteries of any size, type or shape (including auto/marine batteries and battery backups).

A \$10 disposal fee is charged for mini-fridges, household air conditioners and dehumidifiers.

We do not accept any type of light bulb or single use disposable batteries, mattresses or any hazardous materials such as paint and firearms.

Indie Cycle, LLC, has a zero landfill policy and we do not remarket any hard drives or data storage devices. We are an authorized agent and a proud partner of Good Point Recycling, based in Middlebury, Vermont.

If you cannot drop by an event or have something too large to transport call **401.484.8838** or contact us from our website at www.indiecycle.com to schedule a pickup.
